Bonjour tout le monde,

After multiple discussions and emails, the Vice-President Academic and Provost finally confirms that the JC decision of 26 March 2024 is being upheld. To clarify, this means that for all of you who were granted travel funds for travel to take place from 1 April 2024 to 14 June 2024 will receive those funds as per the process specified in the 2018-2021 CA Appendix C. As for those applications submitted by the extended deadline of 15 April 2024 for travel to take place from 15 June to 31 October 2024, the Travel Committee will be convening to review them as per this "older" process.

We've requested that the Vice-President Academic and Provost communicate with our members, but given the date, I thought it would be helpful to you to know right away!

Amicalement,
Geneviève
