Bonjour tout le monde,

We received an email from the Employer's Lead last Friday listing revisions they agree are needed in the draft Agreement. After much back and forth this week, we finally agree on a path forward to proceed efficiently with the review of the remaining outstanding items with the hope to finalize the draft CA next week. After that, we will have to edit cross-referencing in the articles and put in final form for signing.

We are crossing our fingers that this is the last sprint to get us our CA!

I wish you all a great long weekend!

En toute solidarité/In solidarity,
Geneviève

Please note that I am on sabbatical leave until 1 January 2025.
