Dear FA members,

I'm writing to bring a quick update:

On JC meeting:

Joint Committee met on Tuesday September 24. The FA representatives presented a proposal with interim RTPP articles that contain new language that was agreed on and reverted to the 'old' language for any outstanding issues on RTPP (see the list of 36 outstanding items). We discussed extending deadlines to allow candidates and D/URC(L)(I) members to attend RTPP workshop and for candidates to revise their files if desired. We discussed offering the capacity for candidates and D/URC(L)(I) to work ahead of deadlines so the process can move ahead quickly if desired. We emphasized that for decisions made after 1 July 2025, title and salary change be retroactively applied to that date. We also requested to expand the limited term appointments to those with negative reappointment decisions. The Administrative team are reviewing our proposals. We asked to hear back from the Administration by the end of this week.

On signing the CA

On September 25 the NS Labour Board implemented an intervention following a short CMC phone call with the Employer's lead negotiator and the FA lawyer. Through the intervention representatives of the two parties (i.e., the Employer's lead negotiator, the VPAP, the Academic Relation Manager, the FA lawyer, the FA lead negotiator, and the FA President) engaged in a facilitated in-person discussion with Chair of the Labour Board that lasted the whole day of September 25. Considerable progress have been made through this process. At the end of the day, there were only a few remaining outstanding items including the term of agreement of the new CA, the missing part of Article 21, the missing salary scales with corrected amounts (to be confirmed by the FA), Chair's stipends with corrected amounts (to be confirmed by the FA), and the missing Appendix B. To our surprise, however, the Employer additionally requested that two outstanding grievances and one harassment complaint filed by the FA or individual FA members, which should be independent of signing the CA, be withdrawn.

The two parties have agreed to meet again on October 9 for a continued facilitated discussion with Chair of the Labour Board.

We will continue bringing further updates in a timely manner.

In solidarity,
Tianyuan
