Dear MSVUFA members,

As mentioned in my November 6 update, the CA can be signed once the Employer revises their draft of the Collective Agreement to include the FA's cross-referencing submitted on November 4. The FA lawyer and Exec members have since been hopeful that the CA would be signed well before the November 22 CMC. However, at the end of day today November 15, we are still waiting to hear back from the Employer. Over the past two weeks the FA has sent the Employer multiple follow-up emails both through our legal counsel and through the Joint Committee, but has yet to receive any response. Despite the disappointment, the FA will continue exploring all possible avenues to engage with the Employer in a constructive way.

Have a restful weekend,
Tianyuan
